

# BENCH DONATION PROGRAM

KVCNE is a place for peace and meditation to honor our loved ones interred here. Our Bench Program allows patrons to donate benches that can be placed through out the cemetery for this purpose.

Each bench requires a \$2,000.00 donation which includes a concrete pad, installation, and a plaque with the name of your loved one placed on the front side of the bench.

Thank you.

Donation form on next page.
