

Attention veterans!

Free certification testing

the Kentucky National Career Readiness Certificate (NCRC) tells employers you are highly qualified and ready for 21st-century jobs.

What do you gain from having NCRC?

- confidence that foundational skills meet the needs of local employers
- ranking above other job applicants lacking NCRC
- better understanding of employers' requirements for job performance
- determining skill improvements and training opportunities
- realizing opportunities for career advancement
- demonstrating on a resume an understanding of skills employers need
