Commissioner's Corner

Commissioner's Corner

Greetings teammates,

September was an outstanding month for the Team KDVA/Kentucky! For starters, KDVA won its fifth straight VA Abraham Lincoln Pillar of Excellence Award, the KDVA Women Veterans Program was recognized for efforts by the Women Veteran Memorial and two of our great veterans centers were recognized as US Newsweek "America's Best Nursing Homes 2026". Furthermore, two of state veterans cemeteries received \$2.025M in VA expansion grants. As for outreach events, we were every in the Commonwealth -- four regional Edler Care Expos, our monthly Virtual Job Fair, a Lethal Means Safety Summit in Louisville and hosting the annual Ft. Knox's 9-11 Memorial ceremony at our Radcliff veterans cemetery. Just to name a few.

We've got more for you to look forward to for October! On October 11th, we will have our fifth annual Homeless Veterans Program 5K Run/Walk at the E.P. Tom Sawyer State Park (Louisville), a Women Veteran virtual event and our monthly KDVA virtual job fair. See the flyers for both great events below. Furthermore, Bowling Green Veterans Center will be nearing on its substantial complete date in late October/early November, opening the next phase of the project.

As we close out the month of September and approach the holiday season, I'd like to remind our veterans and military families to not isolate themselves. September may have been National Suicide Prevention Awareness Month, but we should stay aware of the signs all year. Be sure to reach out to loved ones and friends and know that we're a large community here in Kentucky and here for you.

Very respectfully,

Whitney P. Allen, Jr.

National Veterans Memorial and Museum Initiative

SHARE YOUR STORY

The National Veterans Memorial and Museum (NVMM) partnered with StoryCorps' Military Voices Initiative to collect, preserve, and amplify the stories and experiences of our nation's Veterans.

All those touched by military service, including active-duty service members, Veterans, spouses, children, friends, and community members are invited to record a conversation about a Veteran's experience. At the end of the conversation, you will receive a digital copy of the interview, while a second copy will be preserved in the NVMM Story Collection and the American Folklife Center at the Library of Congress.

By adding to the NVMM Story Collection, you ensure the legacy of service lives on – not just in history books, but in the hearts and minds of future generations!

Military Women's Memorial "Tell Her Story"

The Military Women's Memorial (MWM) is the only major national memorial honoring all servicewomen – past, present and future. The MWM honors more than 3 million women who served and continue to serve in the U.S. Armed Forces since the American Revolution.

Women's military service should be no less recognized than men's but historically the focus of history and preservation has been on men.

Why it's Important to Register?

EVERY STORY is important, EVERY STORY deserves to be told. Yet we have lost most of our WWI women veterans and our WWII women are fast coming to their final chapter. What history we have not recorded will be lost with them. We absolutely CANNOT let another generation go by without ensuring that our collective contributions are captured and remembered.

Please REGISTER HERE : www.womensmemorial.org

There is no cost to register! You can register any woman you know who is in or has served in the military. Let's keep "HER-Story alive!"
