

KENTUCKY VETERANS CEMETERY CENTRAL FLORAL REGULATIONS

PLACEMENT OF FLORAL ITEMS ON GRAVES IS SUBJECT TO THE FOLLOWING CONDITIONS

1. Artificial flowers (plastic, silk, etc.) and fresh cut flowers are permitted at any time— fresh cut flowers will be removed when they become withered.
2. All flowers **must** be displayed in the vases provided by the cemetery. The vases are located along the roadway in marked containers. **Do not** put holes or glue in the bottom of vases. The vases are provided to you at no cost and are re-used by all. Please be respectful.
3. Miniature American Flags may be placed on gravesites but only when using the cemetery's vases.
4. Floral items and other types of decorations attached to the headstone or columbarium wall **will not be permitted.**
5. Florists **will not be permitted** to deliver flowers without taking away all packaging material.
6. The Kentucky Department of Veterans' Affairs reserves the right to authorize removal of items which are considered to be inconsistent with the dignity of the cemetery. Safety hazards, permanent plantings, statues, saddles, vigil lights, shepard's hooks, grave blankets, flag standards, and any breakable objects will be removed immediately when found on a gravesite.
7. Cemetery staff *is* **not responsible** for the care or security of any items placed on gravesites. All unauthorized floral tributes and decorative items placed on the graves will be removed by staff.
8. Flowers are not permitted in the columbarium area.
