

Funeral Honors

The Department of Defense (DOD) is responsible for providing military funeral honors. Upon the family's request, Public Law 106-65 requires that every eligible veteran receive a military funeral honors ceremony, to include folding and presenting the United States burial flag and the playing of Taps. The law defines a military funeral honors detail as consisting of two or more uniformed military persons, with at least one being a member of the veteran's parent service of the armed forces. The DOD program calls for funeral home directors to request military funeral honors on behalf of the veterans' family. Veteran's organizations may assist in providing military funeral honors. When military funeral honors at a veterans' cemetery are desired, they are arranged prior to the committal service by the funeral home.

Burial in Veterans Cemeteries

Burial includes a gravesite in any of the National or State Veterans Cemeteries with available space, opening and closing of the grave, perpetual care, a Government Headstone or Marker, a Burial Flag, and a Presidential Memorial Certificate. Cremated remains are buried or inurned in veteran cemeteries in the same manner and with the same honors as casketed remains. Burial benefits available for spouses and dependents buried in a veteran's cemetery include burial with the veteran, perpetual care, and the spouse or dependents name and date of birth and death will be inscribed on the veteran's headstone. While there is no cost for any veteran's interment, state veterans cemeteries may have a minimal cost for spouses and/or dependents.

Headstones and Markers

The Department of Veterans Affairs (VA) furnishes upon request, at no charge to the applicant, a government headstone or marker for the grave of any deceased eligible veteran in any cemetery around the world. Spouses and dependents buried in a private cemetery are not eligible for a government-provided headstone or marker.
