“Have You Served” Outreach Campaign

**Goal:** Reach the thousands of women veterans in Kentucky who are not seeking benefits and services because they don’t think of themselves as “veterans.”

**Action:** Enlist state and local government agencies and non-profit organizations to ask their clients for veterans information. Provide to these partners promotional materials for KDVA’s “Have You Served” campaign. Offer educational briefings to agency heads, elected officials, PIOs, etc., on why “Have You Served” is a more effective and accurate question than “Are You a Veteran?”

KDVA’s work brings hundreds of millions of dollars into Kentucky every year through veteran benefits. Those benefits are direct transfers from the federal government to veterans and their families. Every veteran we reach for whom we can obtain benefits is a net increase in revenue for the Commonwealth.

Every veteran we fail to reach – especially women veterans – is a veteran not served by KDVA.

The fund receives a steady stream of revenue from a $5 fee that is associated with the initial purchase and annual renewal of Veteran and Military License Plates, as well as tax deductible contributions from private and corporate donors.
