Dear Veteran:

We are proud to announce a new program (VTS), The Veterans Transportation System. Our Program will compliment and support the mission of the Disabled American Veterans (VTN), Volunteer Transportation Network.

VTS provides an additional transportation option for Veterans that is also **FREE** and is available to any Veteran in our service area who is enrolled for care at our medical center.

VTS will begin its first route on Tuesday, March 26<sup>th</sup> 2013, from Lexington VA Medical Center to Louisville VA Medical Center with stops in the following cities: **Versailles, Frankfort, and Shelbyville.**

VTS can transport up to eight (8) passengers and two (2) wheelchairs. If you live or know of a Veteran who lives in **Woodford, Franklin or Shelby counties** who need transportation assistance, we'd like to help.

We will take Reservations as far as 1 year in advance, but **please try to call 48 hours in advance.** This is a first come, first serve, **FREE** service.

**To schedule a ride, call our VTS Mobility Manager at:  
(859) 381-5912 or (859) 227-3844**

Robert Arrowood  
VTS Mobility Manager

*VTS does not replace the services provided by the DAV Transportation Network. Our goal is to work together to provide enhanced services to the Veterans we serve together.*
